SUMMARY

Motivated Computer Science student with hands-on web development practice. Built functional projects and multiple practice websites demonstrating proficiency in front-end design and basic CRUD operations. Committed to continuous learning and eager to contribute effectively to professional development teams.

TECHNICAL SKILLS

Languages: JavaScript(basic) C, C++, Java (OOP), Python , PHP (basic), SQL
Web: HTML5, CSS3, SCSS, Bootstrap, basic DOM scripting, responsive layouts
Backend/DB: PHP (procedural), MySQL (DDL/DML, simple joins), XAMPP (Apache+MySQL)
Tools: VS Code, phpMyAdmin, Git/GitHub, Figma (basic), Chrome DevTools
Concepts: OOP, CRUD, form validation, DB design (ERD, normalization)

PROJECTS

Art Gallery Management (PHP, MySQL, Bootstrap, XAMPP)

May 2025-June 2025

- Built a functional gallery website supporting artwork listings, categories, search, and admin-side CRUD for artworks.
- Designed MySQL schema, wrote SQL queries, and handled form validation & session-based authorization.
- Implemented responsive UI with Bootstrap.

June 2025-Oct 2025

Practice Websites

- Customized multiple themes: adapted layouts, typography, color schemes, and components to learn production-style HTML/CSS.
- Integrated contact forms (front-end), basic validation, and template refactoring into partials.

EDUCATION

Bachelor in Computer Science (Ongoing)

2023-2027

Fatima Jinnah Women University (FJWU), Rawalpindi

Intermediate in Computer Science (ICS), 2023

Army Public School and College,Rawalpindi

RELEVANT ACADEMIC WORK

Engaged in a range of semester projects reflecting core Computer Science coursework, showcasing proficiency in software design, database management, and web development practices.

INTERESTS

Web development • Entry-level QA/testing • UI foundations • Database design
